Tidy Tuesday Week 17

US Agricultural Tariffs

- Data = USITC Tariff Database
- 4 datasets
- Agreements.CSV and Tariff-Agricultural.CSV seems interesting
- Could think in terms of a clear policy story.

Idea - Policy implications as a story

- Begin and end date

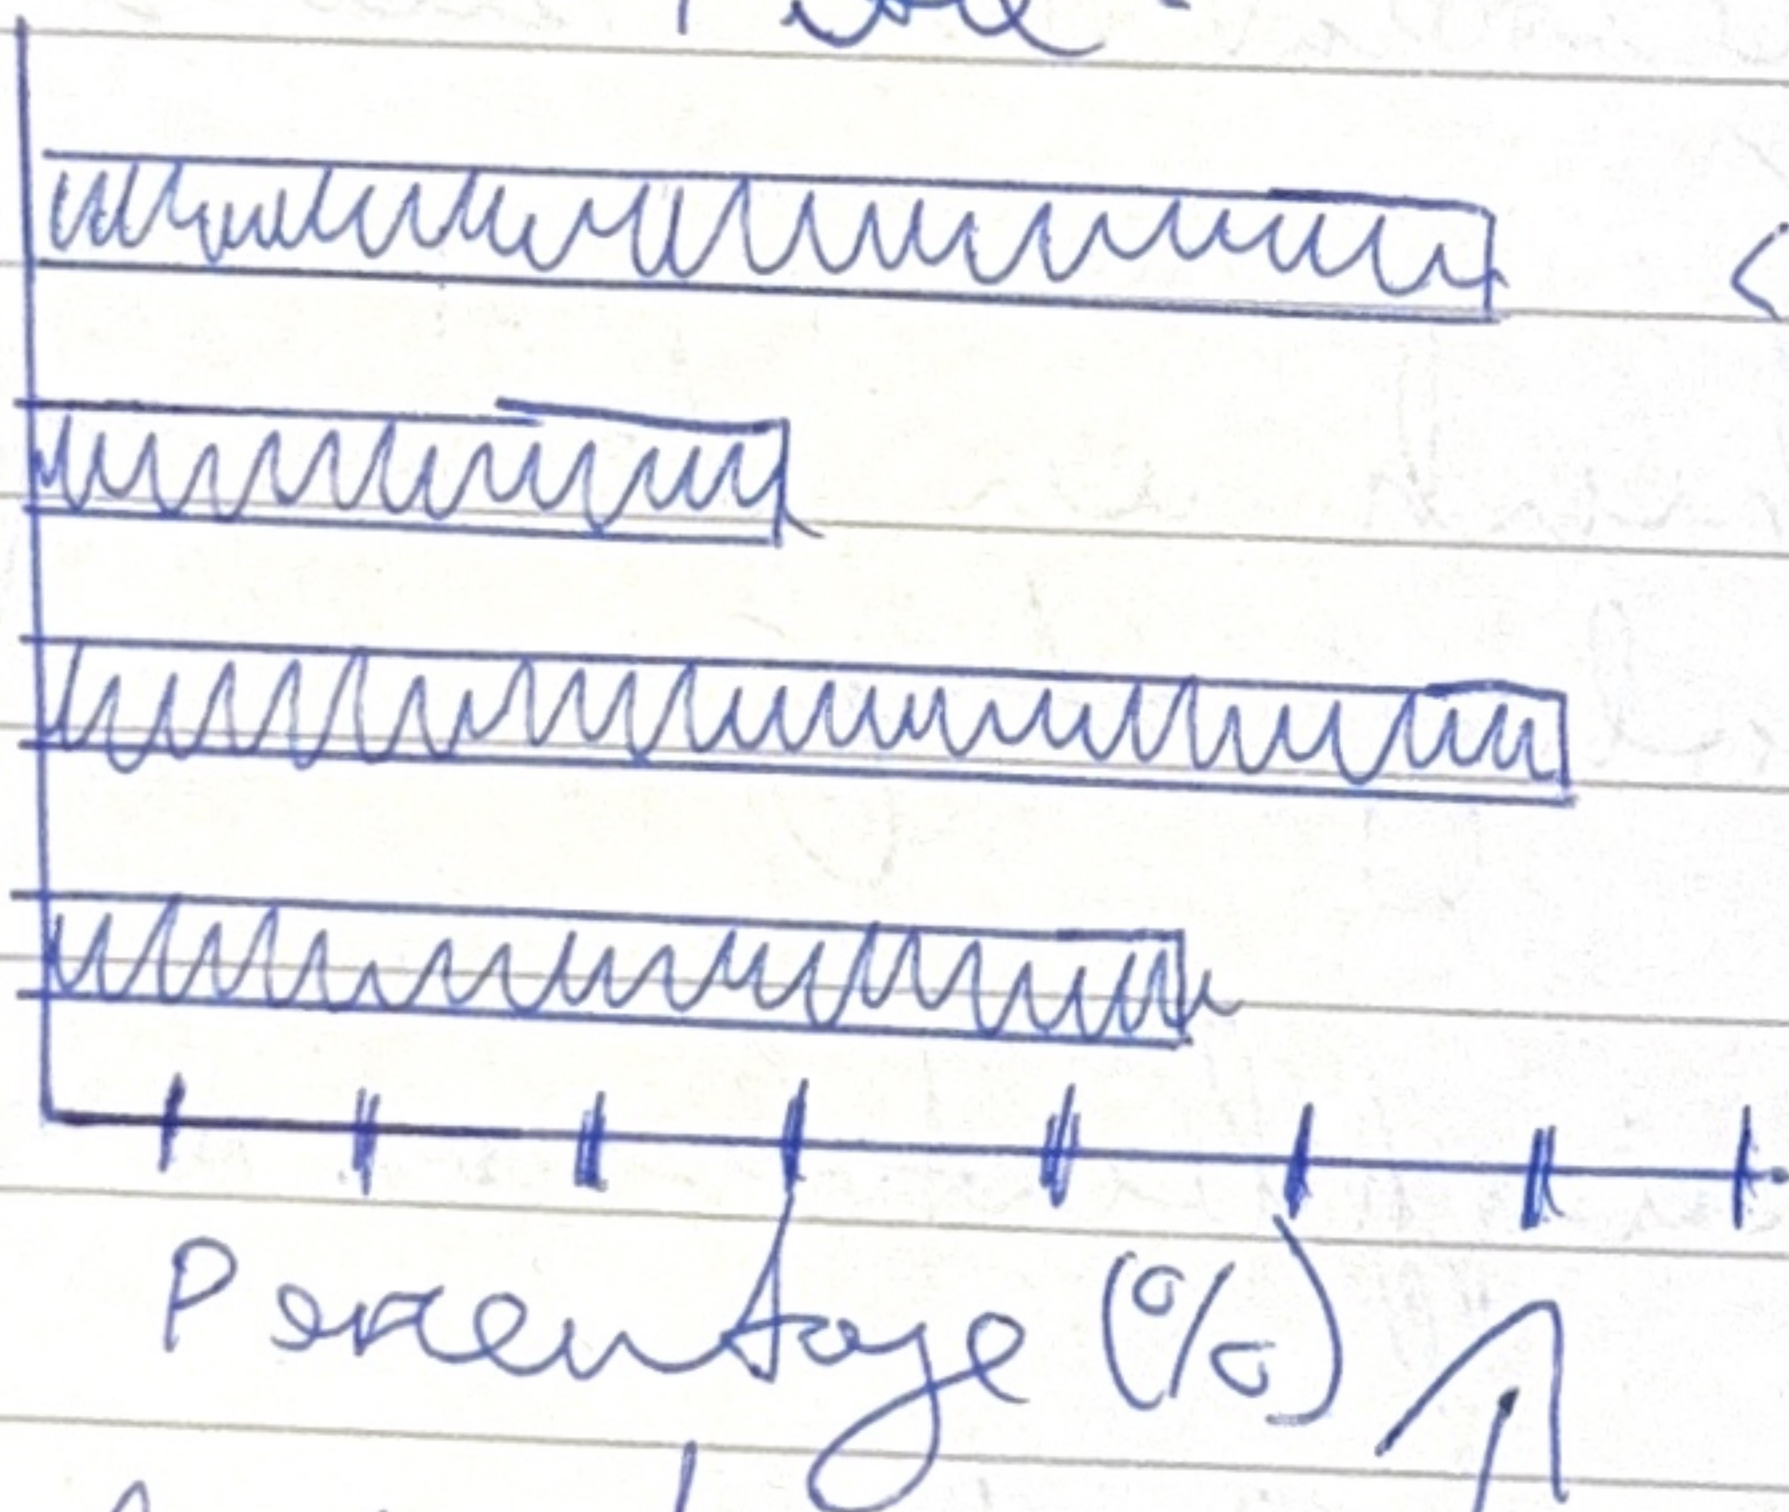

All values gotten as date.

RV:

Where do trade agreements reduce tariffs?

- Bar chart
- Percentages
- Horizontal?

Title =

Value
Label

Font = Lato

sort descending

• after colors on the bottom bars.

• Use red color for The Economy on the bars.

HEX-code: #E3120B

RQ: Which agreement offers the largest average tariff reductions?

- Bar chart / Lollipop chart?
- Percentages
- Horizontal
- Move axis to the top and sort descending?
- Red bars. See The Economist

Top 5-10
color
